

The UPSTANDER Program

This program has been renamed from the original BYSTANDER Power.

Adapted for in class sessions, developed and facilitated by Chaplain Rhonda Miller with permission by Author Phyllis Kaufman Goodstein to reproduce the material.

This is an interactive program with tasks to follow and builds confidence in putting an end to unsociable behaviour and keeps kids feeling safe.

This program is run by request from teachers as a whole class activity and is not a small group activity.

If you would like to know more about it please contact me via email Rhonda.miller@youthcare.org.au or phone 6458 7700.
