SCHOOL SURVEY

Once every two years the school is required to formally seek feedback from its school community. This year we are conducting three surveys that will provide us with feedback from our parents, staff and students.

The information that is gathered through the survey is used by the leadership team and the School Board to guide future directions and practices. Some survey information is also automatically collected by both the State and National Education Departments.

The survey is anonymous and can be completed through the following link. We thank you in anticipation of your involvement and feedback.

TAX DEDUCTIBLE BUILDING FUND

Did you know Mosman Park Primary School has a tax deductible Building Fund?

At our recent P&C and School Board meetings, we discussed renewing our commitment to providing our student and school community with an enclosed multi-purpose assembly area. As our school population continues to grow it is apparent that our current undercover area is not suitable for the purposes that we need. Our last big school - community project was the Nature Play area. We would now like to start planning and fundraising for a new project that will enclose and improve our current assembly area. It is expected that the final facility may cost up to \$250,000.

One way of raising some of these funds is through our tax-deductible School Building Fund. Donations to this fund can be made through the following bank account

Mosman Park Primary School
ANZ – St Quentin Avenue, Claremont
Acct – 016-281 3408 80825

Please remember to include your name with the deposit so that we can provide you with a registered tax receipt. All donations welcome!

BOONDERU SCHOOL MUSIC PROGRAM

Boonderu is a music and engagement program that began four years ago in Roebourne, and has been working with students at MPPS since mid 2017.

At Boonderu we believe in the power of music as therapy, to communicate, encourage learning and help focus and channel peoples thoughts and feelings.

It is one of the few activities that stimulate the entire brain.

We spend time with students in our little space in the undercroft on Wednesday and Thursday afternoons.

Mr Campbell, assisted by other Boonderu staff, offers students tuition in guitar, ukulele, drums or keyboards, as well as simply enjoying music and jamming along to popular songs, and our own creations too.

Students always have a lot of fun in their Boonderu sessions and are working towards a performance piece, which we look forward to sharing with the school and community later in the year.

OVERDUE LIBRARY BOOKS

Holidays are nearly upon us and students are welcome to borrow library books over the break and do lots of reading. Unfortunately students will not be able to borrow if they have overdue books so, time to go a-hunting under the bed, behind the cupboard or in your brother's bedroom and find those missing books!

INTERSCHOOL CROSS COUNTRY COMPETITION

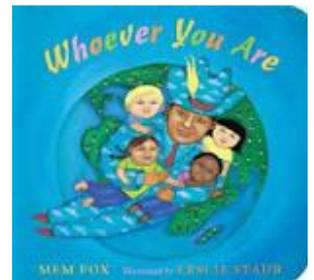

Mosman Park Primary School competed in the Claremont Regional Sporting Schools Group Cross Country Competition on Thursday, 14th June. The weather was superb, ideal for fast running. Our cross country team had been training hard in the months prior to the competition and we were victorious as a result. Mosman Park Primary School was the cross country champions of 2018.

Congratulations everyone and thank you to Mr Geoff Davey and his band of helpers.

JUMP ROPE – JUMP OFF DAY

Are you jumping for joy? Jumping for fitness? Jumping for your heart? The Jump Rope for Heart 'Jump Off Day' is on Thursday 28th June for PP to Year 6 students. Each class will come down for a session of skipping through the day.

If your child would like to fundraise, a fundraising form has been sent home and there are great prizes to be won. Fundraising online is the easiest way for everyone to fundraise. Parents you may have to help your child setup their own page! All fundraising needs to be completed by Week 4, Term 3. Any questions, please contact your teacher or Mr Ong.

BUDDY CLASS GARDEN PLANTING

Mrs Martin's 5/6 class and Mrs A-P's PP/1 class had lots of fun in the Garden on Friday 15th June! We planted snow peas, parsley, basil, watercress and a potato! Thanks so much to Patrick Croci for his help.

THREE BILLY GOATS GRUFF – ROOM 8

Room 8 performed their own rendition of the Three Billy Goats Gruff to their families at the end of the day on Wednesday. They were extremely excited to show the audience that they had memorised such a long story using AUSLAN signing (and a few signs of their own)! It was a very confident and expressive performance.

AQWA EXCURSION

On Tuesday 19th June Rooms 8, 9 and EC3 spent the morning at AQWA. Everyone had lots of fun and enjoyed all of the aquariums. Luckily not all of the students were eaten by the crocodile!

DOGGIE DOO IN THE SCHOOL GROUNDS

Recently a number of the younger students have come back into the classroom after recess and lunch with doggie doo on their shoes. Thankfully they are smart enough to work out what to do once they notice it, rather than just leave it there!

We urge all dog owners to step up to their responsibility and not leave the school grounds in a mess – PLEASE bag it and bin it.

CHAPLAIN'S CORNER

Dear Parents and Caregivers,

The Beginners **Netball** skills training was well attended over 6 weeks by 16 girls who learnt the basic skills of Netball. They enjoyed a mini game last Thursday at their windup and received a certificate of achievement each with photos of 'The West Coast Fever' team on the

back.

If you would like your child to take the next step or try out the game of Netball and have an interest for a program like the **Suncorp NetSetGo** fun, it is a safe, social and active program for girls and boys aged 5-10. It gives kids of all abilities a positive introduction to netball and teaches them the basic skills of the sport through games, activities and drills over 8 week 1 hourly sessions. Please let the school know or if you would like more information, please get in contact with Jason Heard via email on Jason.Heard@netballwa.com.au or on 9380 3720.

I am on leave until Monday 6th August. Experiential Learning will return in Week 5. Rainbows will continue next term, Breakfast Club and Homework club both continue uninterrupted. While I am away, if you have a need for pastoral care, please contact YouthCARE on 9376 5000.

A date for your Diary ... August 9th – **NAIDOC Day**, Please feel free to come along and see Indigenous culture in Dance and Music and much more from lunchtime onwards. ☺

We strongly urge any parents that haven't done a canteen shift to volunteer just 2 hours of their time once or twice a year. That's all it takes! A lot of parents take it in turns to mind their friend's kids so they can do a shift each. Grandparents, relatives and carers are all welcome.

Please sign up for a shift at <http://signup.com/go/afMFbmH>

The Canteen provides funds to the school to help operate programs like Artist in Residence, Scope IT and resources for each class.

Please contact **Jeanie Moullin** mppsrosters@gmail.com for more information.

CANTEEN

Thanks everyone for helping to make the canteen run so smoothly this term despite one oven! The new oven will be installed on Monday, 25th June so we will be able to do amazing things again. Thanks to Glenda for facilitating this.

After consultation with Canteen Assoc. WA, we have added a full cream milk option to the menu and will change donated cheese to full fat as well.

In addition we are adding GF toasties to the menu with a small additional cost.

We have also been offering free celery and carrots sticks on the counter at lunchtime which kids are enjoying!

Please continue to roster yourselves on for a canteen shift to avoid an unnecessary closure.

Don't forget to check drawers for cash before banking as have had substantial amounts found days later.

Have a great holiday!

Maz Johnston, Canteen Coordinator
